

CALLING ALL GRANDMOTHERS

In the African culture, the grandmother is a revered and respected family member. Sylvia's Children, a 501(c)3 organization that is helping support children who have been orphaned through the AIDS crisis, will be recognizing the grandmother of the year on Sunday, March 2 at their fundraising brunch.

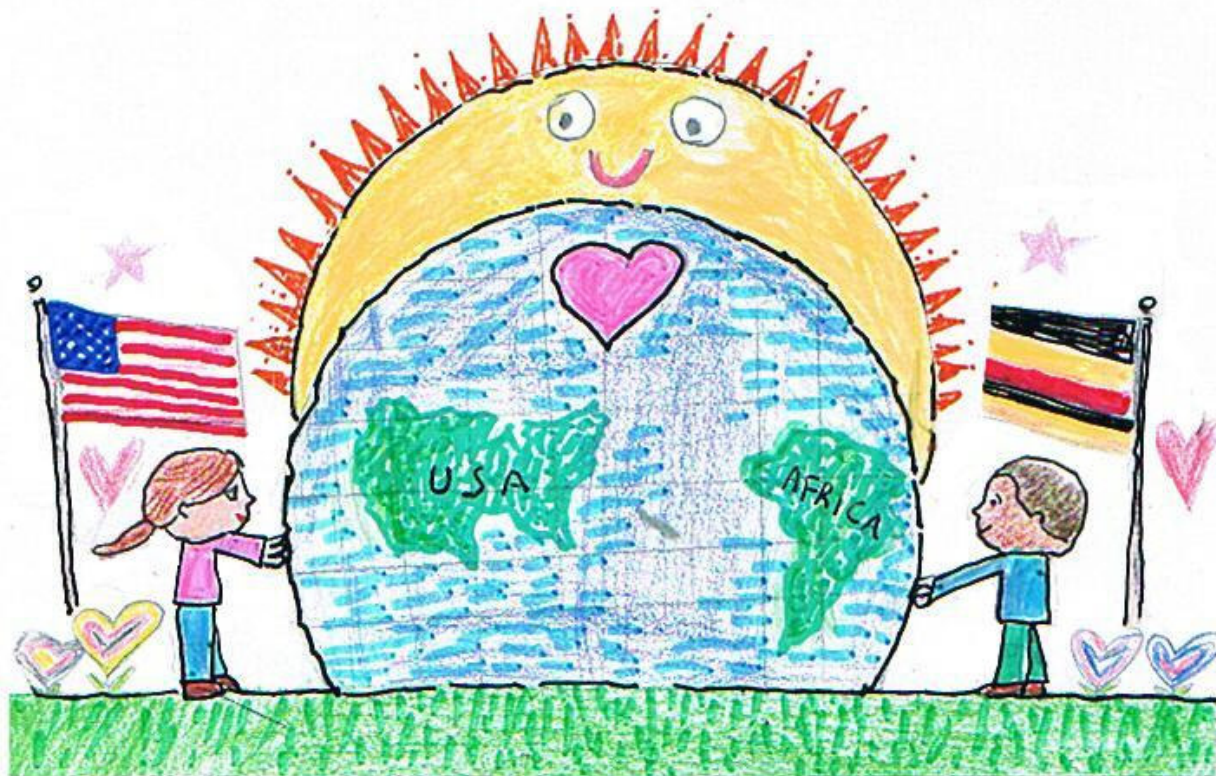

Would you like to submit your grandmother for recognition? Or, if you are a grandmother, you can submit yourself! You don't have to be famous to be a wonderful grandmother. Some of the traits that will be considered will be participation in family, community and concern for others. Five finalists will be selected from the applicants and the winner will be announced at the brunch. The winner will receive a beautifully engraved crystal trophy of the world and the runner ups will receive a certificate of recognition.

To submit your application, fill out the attached writable application, save it, and then, email it to Sylvia@sylviaschildren.org. For information on tickets for the brunch (\$50 for adults and \$20 for children – children under 5 are free) go to page 6 for writable form or call 732-946-2711. Please submit on or before February 1, 2008.
